Our actions for the New COMMON GOODS.

The Time has come. Time to change. Time to invent. Time to imagine. Time to dream. Time to learn how to build new Times! Old recipes can only build an old World.COOPERATIVE ASSETS will help us to build a new Civilization. We need to develop new tools. And to develop a new spirit. A spirit of responsibility, fairness, equity, durability and prosperity. All of these can be achieved (and only achieved?) by setting up New COMMON

GOODS all around the World. It is Time to do so.

Whatever your interest in new COMMON GOODS, the COOPERATIVE ASSETS, whatever its type (natural, digital, social, economic...) or whatever its dimension (local, national, continental), we hope that you will find on ALPHAPOLIS.net the information and inspiration you were looking for.

ALPHAPOLIS.NET is an initiative dedicated to the imagination, design and promotion of new COMMON GOODS, the COOPERATIVE GOODS.

Philippe AGRIPNIDIS,

Co-Creator of new COMMON GOODS

New COMMON GOODS, besides being a passion, have become a necessity for Humanity and its planet !

ALPHAPOLIS.NET's vocation is to participate in their promotion and implementation.
